

Bond Issue For Pool

Councilman Willys Blount made a motion which was approved unanimously by the city council Tuesday night that a \$300,000 bond issue for a swimming pool be placed on next April's ballot.

To Attend Annapolis

Don Mitchell, the son of Mr. and Mrs. H. L. Mitchell of 1317 Acacia, has just been notified that he successfully completed his mental and physical examinations for Annapolis Naval Academy, it was disclosed.

Cecil King, representative of the 17th district, has been hoping for this honor ever since he was twelve years old.

The nineteen year old youth will report to the Academy July 1. He attended Fern ave. school, Torrance high school, and El Camino college, it was reported.

At El Camino, he was vice president of the student body for the Fall '52 term, and president of his fraternity, Phi Sigma Epsilon.

Field Sought By Helicopter Wilma Cole Winner of Milk Contest

Clara Conner, Torrance Postmaster, announced that the Post Office department is in need of another close-in spot which would be suitable for landing of the mail helicopter.

The present location of the heliport at Western ave. and Torrance blvd. must be vacated to make way for industrial expansion.

Anyone knowing of any suitable location is asked to get in touch with Mrs. Conner at the postoffice or by calling Torrance 62.

CHECKING SERVICE APPLICATION cards to see if new Fairfax and Davenport telephone listings are correct in new directory supplement are Service Representatives Cynthia Kirk and Shirley Duncan, and Business Office Supervisor Dana Zimmerman. Telephone directory supplement for Torrance and Lomita exchanges will be sent to subscribers beginning May 25.

One of 10

Nina Smith of Torrance is one of ten students who enrolled in cosmetology at El Camino college when the department first opened in September, 1951. She is partment to finish her training and receive her licence. She is now working in one of the beauty salons in this area, it was reported.

Variety at El Camino For Summer

A summer session schedule consisting of 104 separate classes and almost that number of different course titles was released today by Director of Instruction William H. Harless of El Camino college.

All offerings of the college, Harless explained, are without tuition in both regular session and in the summer. The abbreviated summer session, consisting of six-weeks commencing July 1 and running through August 13, will include courses in each of the three major areas of the college: the business and industry division, the humanities and fine arts division, and the science and engineering division, it was reported.

Airport Here Gets Safety Committee

A committee has been established to recommend plans and actions to further familiarize the flying public with the facilities of the Torrance municipal airport.

The committee will also undertake to familiarize pilots with the flight pattern and to protect residents of Lomita against low flying aircraft, it was announced.

This action follows in the wake of a recent hearing of complaints presented to the Civil Aeronautics Commission which met here. At that time Lomita residents complained about low and dangerous flying to which they felt themselves subjected.

R. I. Plomert, president of the Torrance chamber of commerce, appointed the present aviation committee chaired by Reed Parkin and consisting of Ed Dietrich, H. C. "Chuck" Hanna, George Stevens.

The soul and spirit that animates and keeps up society is mutual trust. —South.

Two Bids Awarded

Two bids were awarded at a recent city council meeting. Of four bidders, the American Cast Iron Pipe Co. of Los Angeles was awarded the Water Department order of cast iron pipes. The figures were \$1,555 per foot on one type of pipe and \$1,049 on another.
